

NEWSLETTER October 2023  
SMALL TOWN-BIG HEARTS

**Not All Heroes Wear Capes  
But The Uniform Of The  
U.S. Military**

Without you  
The world would be  
different  
People's freedom  
would be at risk,  
So thank you  
For protecting our  
country  
For risking your life for  
others  
For making the world a  
better place

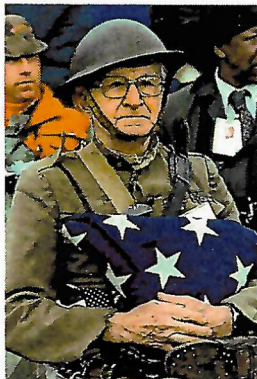

**HONOR OUR  
VETERANS**

**NOV 11<sup>TH</sup>**

As predicted, the leaves are falling. Leaves raked to the curb will be "sucked up" with our leaf vac - weather, time, and mechanical issues permitting. If you prefer to bag them, we'll get those also. We won't have set days for pick up. **The town does have a burn ordinance which is available at the Town Hall.**

As most of you have witnessed, the "water project" is well under way. We appreciate your patience with any inconvenience but with progress comes a little pain. Walnut Street will be closed a block at a time and re-opened as they pass through. Within 3-4 weeks, the contractors should be out of the way of most traffic. The yellow flags on some properties are only locators. Private property should not be disturbed unless a new line has to be run to the new water main.

The Chalmers Community Church will be hosting the 6<sup>th</sup> Annual Reindeer Den Craft and Vendor Event on November 11 from 9:00 AM – 2:00 PM. This event is a fundraiser for the Discovering H.A.N.D.S Pre- School.
